INFO-CENTER

This building details the different stages in which the project was developed.

From the top of this structure opens up an excellent view of the whole area.

Art cluster ART RIVER

ART RIVER is the culture center of the STUPINO QUADRAT.

The future art cluster is planned to be erected near village Petrovo, on the magnificent warp of the Kashirka river.

Key elements of the cluster:

- Culture center, including the watchtower, Info center with sales office, children club and cafe.
- Art-residence with houses for artists, mini hotel and workshops.
- Territory for organizing festivals, with the summer camping spot.
- Eco-farm, for breeding organic products, with farmers, supporting infrastructure and cafe – restaurant.
- All-year cultural activity of the cluster residents may enable vivid and authentic center of cultural gravity for the industrial district and the whole Moscow region.
