

INDUSTRIAL PARK STUPINO 1

MOSCOW REGION
RUSSIA

ENGINEERING DESIGN BY

Archest

WHAT WE OFFER

- Ready industrial buildings of 500, 1000, multiple of 1000 m²
- Custom made, any size of industrial buildings and warehouses

WHERE ARE WE LOCATED

- The industrial park Stupino 1 is located in Stupino, Moscow Region

WHY STUPINO

- Investor friendly administration:
- 12 large western companies opened factories in Stupino, producing more than 2 billions Euro worth of goods per year.
- 80 Km south of Moscow MKAD, without redlight or village. Just one toll station.
- Qualified & professional work force
- Location easily manageable from Moscow avoiding double office and structures
- Less than one hour driving from Domodedovo International Airport
